ALMARASEM
DEVELOPMENT

With a reputation that precedes them, Al Marasem Development continues to expand their portfolio with unmatched excellence.

With a new level of luxury we present Lake Residence.. truly a dreamy reality

A

*I flap my wings and hover over skies
In a glimpse of an eye
I wander the seven seas*

Dreamy

*A blended taste of life's royalty is brought
to me at once
All the feels, textures, and sights*

Reality

*I am wandering Lake Residence
Only then I could...
Live the fantasy*

A Dreamy Reality LAKE RESIDENCE BY ROTANA

Being part of Al Marasem and serviced by Rotana, Lake Residence unveils your dream and truly brings it to life; with 5 buildings of fully finished and furnished, self-sustainable hotel apartments on a land of 20,850 meter squared. Setting your imagination for a higher level of luxury and comfort with amenities and services which will sweep you and your family off your feet.

AL MARASEM DEVELOPMENT

Established in 1997, Al Marasem has set out to build a legacy of outstanding and reputable projects proving to be one of the most well recognized firms specialized in construction, engineering, procurement, development and various investment activities. AlMarasem Development developed Fifth Square project with unmatched excellence and on time delivery. The project has a wide variety of residential and commercial projects one of which is Lake Residence. Here's to a great history and much greater successes to come.

A Fair & Warm
**WELCOME FROM
ROTANA**

With the true spirit of hospitality, Rotana lays its mark on a cordial and generous reception of residents and guests. With a portfolio of over 100 properties throughout the Middle East, Africa, and Turkey, Rotana develops a unique expansion plan to cater for guests from all over the world. Rotana has shown success in providing the ultimate choice for guest stays and family living through operating five sub brands which include; Rotana Hotels and Resorts, Centro Hotels, Rayhaan Hotels and Resorts, Arjaan Hotel Apartments, and The Residences.
